

SONGWON enters distribution agreement with Bodo Möller Chemie Russia LLC

Ulsan, South Korea – May 15, 2018 – SONGWON Industrial Co., Ltd. announced today that it has signed an exclusive distribution agreement with Bodo Möller Chemie Russia LLC. Effective from May 1, 2018, Bodo Möller Chemie Russia LLC will exclusively distribute SONGWON's comprehensive range of polymer stabilizers in Russia, Belarus, Ukraine & Kazakhstan.

Based in Moscow, Bodo Möller Chemie Russia LLC is part of the Bodo Möller Chemie Group – a leading supplier of specialty chemicals for plastics, adhesives, coatings and other industrial sectors.

“Selecting such an experienced partner signals another important step in developing SONGWON's market position in Eastern Europe,” says Paolo Arnaboldi, Global Sales Director. “With Bodo Möller Chemie Russia, we are making our world-class products more easily available and illustrating our dedication to reliably serving our customers in the region.”

Jürgen Rietschle, Managing Director, Bodo Möller Chemie GmbH adds: “SONGWON's products perfectly complement our product offering, and this agreement brings both of our organizations a promising opportunity for growth. By combining high-quality with our industrial know-how, we can deliver great value to all of our stakeholders.”

About SONGWON Industrial Co., Ltd.

SONGWON, which was founded in 1965 and is headquartered in Ulsan, South Korea, is a leader in the development, production and supply of specialty chemicals. The second largest manufacturer of polymer stabilizers worldwide, SONGWON Industrial Group operates companies all over the world, offering the combined benefits of a global framework and readily accessible local organizations. Dedicated experts work closely together with customers to develop tailor-made solutions that meet individual requirements.
